Welcome

The American Clinical Neurophysiology Society (ACNS) and the Canadian Society of Clinical Neurophysiologists (CSCN) are pleased to announce the 31st International Congress of Clinical Neurophysiology (ICCN) of the International Federation of Clinical Neurophysiology (IFCN) will be held May 1-6, 2018 in Washington, DC, USA.

The 31st ICCN program will include several of ACNS’s signature courses, as well as courses and workshops planned by IFCN Member Societies and other prominent societies in clinical neurophysiology from the US and around the world.

Pre-Congress courses and workshops are designed to provide a solid review of the fundamentals and the latest scientific advances in both central and peripheral clinical neurophysiology.

Co-Hosting Societies:

American Clinical Neurophysiology Society (ACNS)
Canadian Society of Clinical Neurophysiologists (CSCN)

Partner Societies will hold their annual meetings in conjunction with ICCN:

American Clinical Magnetoencephalography Society (ACMEGS)
International Society of Intraoperative Neurophysiology (ISIN)

Supporting Societies have supported ICCN through organization of a satellite course and representation on the Scientific Advisory Board and Program Planning Committees:

American Society for Neurophysiological Monitoring (ASNM)
Brain Stem Society
Critical Care EEG Monitoring Research Consortium (CCEMRC)
International League Against Epilepsy (ILAE)
International Society of Peripheral Neurophysiological Imaging (ISPNI)

Contributing Societies have contributed to ICCN via representation on the Scientific Advisory Board and Program Planning Committees:

American Autonomic Society (AAS)
American Epilepsy Society (AES)
ASET - The Neurodiagnostic Society
Organisation of Societies for Electrophysiological Technology (OSET)

Three days of general and concurrent Congress sessions will follow including honorary lectures, symposia, controversies sessions, platform presentations, and poster sessions. The Congress will feature a number of opportunities for your company to be involved, to gain exposure and to showcase your products and services to more than 2,000 clinical neurophysiologists from around the world. From exhibits and advertising to delegate services and educational support, ICCN is happy to partner with you and your company to find just the right fit to meet your needs and to bring the latest industry information to ICCN delegates.

Breakfast Product Theater Rules & Regulations

Program Entries
The ICCN Secretariat will include information on the product theaters both on the ICCN 2018 website in advance of the meeting, and as part of the Final Program distributed to delegates onsite. A Product Theater Details Form will be distributed to companies upon confirmation of participation and receipt of the fee. The form includes space for each company to indicate the title and topic of the product theater, the names of the instructors participating, and a brief description of the session.

Supporting companies will be responsible for providing specific information on their program no later than March 20, 2018. The ICCN Secretariat cannot guarantee that information received after March 20 will be included in Final Program materials. The ICCN Secretariat highly encourages product theater supporters to submit as much information as possible in advance for inclusion on the website and Final Program. Companies submitting thorough descriptions, including the names of instructors, report significantly higher attendance at similar programs.

Product Theater Instructor Selection & Eligibility
- The sponsoring company is welcome to invite the instructors of their choice, and any number they wish.
- Either company personnel or physicians may serve as instructors.
- Faculty speaking in the ICCN 2018 program (including satellite programs, courses, symposia and teaching sessions) may serve as product theater instructors, as long as they do not receive compensation of any kind from product theater supporters.
- Product theater supporters are responsible for contacting chosen instructors to invite them to participate and then to communicate the names of confirmed instructors to the ICCN Secretariat. The ICCN Secretariat will not contact potential instructors and will assume that names submitted have been confirmed in advance.

Promotion
Product theater supporters are welcome to promote their sessions using their own contacts or distribution channels in advance of ICCN 2018. However, all promotional materials, including both print and electronic messages, must be approved by the ICCN Secretariat prior to distribution. Please send a draft of the materials to mhille@acns.org for prompt review.

Distribution of materials onsite is restricted to the company’s own exhibit booth and other ICCN-sanctioned channels (delegate bag inserts, hotel room drops). Promotional materials may not be placed in session rooms or any other part of the meeting space without written consent from the ICCN Secretariat.
